

**The Melmed Center, Lexis Preparatory School, and Pediatric Speech and Language Specialists present**

## **Supportive Therapies: Enhancing Children's Potential**

*An evening of presentations by the Valley's leaders in Occupational, Physical, Speech & Language, and Music Therapy. Join us and learn how children who need additional support can benefit from one or all of these techniques. Enjoy hands-on demonstrations and question/answer sessions with local experts.*

**Thursday, November 17, 2011—6 pm**  
**at Lexis Preparatory School**
